Mrs. Potter-Harvey informed Council the budget has slightly changed since the last meeting. Sponsorships are moving slowly. If the remaining sponsorships are sold, the revenues will break even with the expenses. At this time without any entry fees, wrist bands, and steaks team registrations the

budget is at a negative \$25,000. She has received a list of potential sponsors from staff and will contact them. Mrs. Mundo sent out a blast in her newsletter. There are five steak teams at this time. There are 50 volunteer positions left to fill and she has scratched the appetizers due to a lack of interest. # AGENDA BACKGROUND

**AGENDA ITEM:** Public hearing, discuss, direct, and consider action on Ordinance 16-794 an ordinance of the Town of Pantego, Texas, amending the Code of Ordinances Chapter 12 Traffic and Vehicles, Article 12.01 General Provisions, Section 12.01.001 Definitions and Rules of Construction and by amending Article 12.05 Parking, Stopping and Standing Section 12.05.003 General Provisions; making the ordinance cumulative of other ordinances on the subject; providing a penalty clause; providing for publication; and declaring an effective date. This ordinance is otherwise known as the Boat and RV Ordinance.

**Date:** October 24, 2016

**PRESENTER:**

Matt Fielder, City Manager

**BACKGROUND:**

Council has held numerous discussions regarding amending Chapter 12 of the Code of Ordinances to address the prohibitions on parking boats and Recreational Vehicles (RVs) in residential neighborhoods. This ordinance is based on the most recent discussions that centered on a photographic survey of boats and RVs in the Town. The consensus of a majority of members of Council at that time was that it was appropriate to park boats and RVs on the side or rear of a residence, but not in the front. It was also the consensus that existing boat and RV owners who are unable to park on the rear or side lots should be grandfathered by obtaining an exclusion within the first six months. This exclusion would not be transferrable with the property. Other features of the ordinance include a requirement that the boat or RV be parked on a paved surface that encompasses the whole vehicle, as well as an extension of the amount of time that a boat or RV can be parked for loading/unloading and maintenance from twenty-four to seventy-two hours.
