 *Deposits \$950.00 + \$50.00 nonrefundable activation fee
 *Water Usage Fee: \$6.00 per thousand gallons

The undersigned applicant hereby applies for a Temporary Water Meter from the Town of Pantego for Construction Purposes and understands and agrees to the following.

- This service must always be maintained and used in conformance with the rules, regulations, policies and ordinances of the Town of Pantego.
- By signing this application the Applicant agrees to and will be charged and/or forfeit the deposit for any and all damage/theft to this meter or any structure related thereto, including fire hydrants, blow-offs, air vents, service pipe, meter boxes or any other appurtenances whatsoever.
- The Applicant is responsible for the payment of all fees, including payment for all water usage through this meter. Please refer to Charges & Deposits Schedule above.
- The Town of Pantego relies 100 percent on ground water supplies, and although the Town may have available water capacity at this time, due to the uncertainty of water supplies, i.e. well pump failure or mandated conservation restrictions, the Town reserves the right to restrict use of or remove the construction meter from further use within a 90 day application period.
- Construction water meters shall be available to the applicant for 90 days; however, this time may be extended at the discretion of the Public Works Director.
- Applicant understands and agrees that this service may NOT be transferred to any other individual or entity.
- Construction meters shall be installed/removed/relocated by Pantego Public Works personnel only. Applicant shall request removal/relocation 24 hours in advance of the action by contacting the Utility Billing Coordinator at 817-617-3700.
- Public Works personnel will strive to meet the construction meter relocation or removal request within a 24-hour period once the request has been received.
- **At no time shall the hydrant be operated by the Applicant, the Applicant may only operate the valve that is on the construction meter. Failure to follow this procedure will result in the construction meter being removed and forfeiture of deposit.**
