

## EFT – ELECTRONIC FUNDS TRANSFER – AUTOMATIC CHECK DRAFT

Now, you can have your Pantego Water Utilities paid by Electronic Funds Transfer (EFT).

### EFT will help you in several ways:

- Saves you from writing a check each month
- Saves you the possibility of being late & having to pay a penalty & other extra fees
- Eliminates the possibility of lost payment in the mail
- Your water bill is paid, even if you are on vacation, sick, or away on business

### Here's how EFT works:

- You will still receive a copy of your Pantego Water Utilities Statement
- We will notify your bank of the amount due on your water bill
- Your bank will draft your account & transfer that amount to us
- The amount drafted on your account will appear on your bank statement

We believe you will like the added convenience of having your water bill payment automatically deducted from your bank account using Electronic Funds Transfer – Automatic Check Draft.

EFT is safe, convenient & easy. To take advantage of this service, please complete the authorization form below & return it to Pantego Water Utilities.
