CERTIFICATION of HOMEOWNER

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local ordinances regulating construction, the performance of construction or the use of any land or buildings.

The homeowner is required to ensure the accurate revision of information, including any change of address or telephone number, within ten (10) days from the date that the previous information becomes invalid for any reason. The registration is not transferable to any other person, firm, corporation or address.

In consideration for a Homeowner's Building Permit, I do hereby swear and affirm that I will be performing the work as described on the building permit application and that I will not be assisted by any other person performing for remuneration. As the homeowner, I am exempt from the requirements of a business registration and am considered a Registrant for the purposes of obtaining a building permit. All other permit requirements for the work and all other applicable provisions of the Building Code shall remain in force. I understand that a final inspection approval must be granted by the Town of Pantego Building Inspector prior to use of any construction affected by permits issued. There are limitations on some of the types of work that a homeowner may perform.

I do confirm that I am the homeowner and do reside therein as my homestead at the address listed above.
