TOWN OF PANTEGO, TEXAS

JANUARY 2023

PHOTO COURTESY OF THE PANTEGO FARMER'S MARKET

Congratulations to the winners of our **ANNUAL HOLIDAY DECORATING CONTEST**, presented by the Community Relations Board (CRB)! Thank you to the Fire Department for making sure Town Hall looked its best for the season and to our Public Works staff for always making Bicentennial Park look magical.

TRADITIONAL DECOR WINNER: 11 GRANT PLACE

2nd Place: 1704 Dickerson Drive | 3rd Place: 2917 Mistletoe Court
Honorable Mention: 2610 Melbourne Court

WHIMSICAL DECOR WINNER: 2817 COUNTRY CLUB ROAD

2nd Place: La Costa Court | 3rd Place: 2810 Peachtree Drive
Honorable Mention: 1700 Silverleaf Drive

NEW: RESIDENTS' CHOICE AWARD: 1610 STAGECOACH DRIVE

RECYCLING FOR LIVE CHRISTMAS TREES

Public Works will be accepting *real trees* to mulch December 27 through January 16. After removing all decorations, leave trees at the marked drop off spot at the south end of Town Hall (1614 S Bowen Road).

PREPARING FOR WINTER WEATHER

Pipes and faucets with little or no insulation can freeze in as little as three hours when temperatures are 20° or lower. Prepare by disconnecting garden hoses and covering outdoor faucets with Styrofoam or heavy cloth covered by plastic. It's also a good idea to locate your main shut off valve (usually in a flower bed near the front of the house) so you can quickly turn off your home's water supply if a frozen pipe leaves you with a leak after the thaw.

KEEP PETS WARM

Pets' cold tolerance varies based on coat, fat stores, activity, and health. At 45° young, old, or sick animals can be at risk. No animal should be left outdoors at 32° or lower. If it's too cold for you, it's too cold for them. Shorten walks, protect paws, and provide warm, dry beds protected from drafts. Don't use hay for bedding as it retains water. Use blankets or straw instead. **Call 817-617-3701 if you're worried about an animal.**

How to register for the

Mobile Alert App

Keeping you and your family safe is important. And knowing what is going on in the world around you is critical to maintaining that safety. Whether a tornado has formed near your home or a boil-water notice is issued for your area, it could be lifesaving to know that you need to take action.

CodeRED is a notification service your public safety officials provide for you that alerts you to emergencies happening nearby, so you can stay informed and make decisions that will positively impact your well-being.
